DAILY

My name is Alan. I'm eighteen years old. I am a very calm person, who loves to play football and physical exercises. In my routine, I usually go to Senai in the morning, at school and in the afternoon and go to the gym with my friends Thiago, Pedro, Wesley and Daniel, who always accompany me at the end of the day.

FAMILY

My family is very different, she has few people still with me, close to me, however, it is still very present and beneficial in my life, for the simple fact of always supporting and caring when I need it most. I can not deny that we have some problems, but that, always end up strengthening us.

LIKES

Since childhood, I have lived together with my friends, since we were together, Junior, Gabriel and Matheus. I know they are my brothers from other mothers. in the free time I always like to play football with them, we like to go out to eat, we always try to try new places.

MY FUTURE

With the help of my father, I aim to finish college in the future and raise funds to start a factory with the same one, which my late uncle started, but today he stands for lack of resources. I intend to perform two faculties: electrical engineering and economics.

TIPS

Tip one: do not be nervous

Tip two: do not lie about yourself

Tip three: always show your qualities

Tip four: Do not discredit your potential
