

The book cover features a light gray background with a subtle, repeating floral pattern. Two solid red vertical stripes run down the center, one above and one below a central white rectangular area. This white area is framed by a double-line border, with the inner line being dark gray and the outer line being white.

My life

Welcome to my book, here
you will know not only my
name, but also know my
age, who I live with, my
skills, who my friends are,
what I do in my free time,
what I like, my plans for the
future, studies and work.

My name is Geovana, I'm 17 years old and I live in Sapucaia do Sul with my parents and my sister.

I like and I have a lot of skill in playing free fire, which is my favorite pastime, as well as watching the football games. In these games I met many friends that I will take for a lifetime. I am a person with few friends that I see daily, for example, Brenda and Eduarda. I get better with boys for the tastes I have. Another thing I like is funk and politics.

Next year I'm going to study journalism at Unisinos during the night shift, as well as working in the morning at a pharmacy in São Leopoldo to help pay for my college.

Since I was 12 years old I have a dream of doing journalism, and focusing on the sport.
