

The last case of detective John

At the year 3702, the technology has evolved so much, that humanity has come to rely solely on technology. So much That many jobs have been replaced by robots, and the detectives were one of them.

And that story begins on England, with the protagonist John Hunter. John is at his agency, thinking about his miserable life and all the bills he has to pay. With a lot of problems in his head he takes yours coffee cup, SIT UP, and go to his room to see through the window, and then he looks to a beautiful and fat woman going to his agency,

John open the door and say:

-hello i'm detective John hunter, how can i help you?

-my name is Abigail Rose, and i need your services. In my hotel is happening a lot of strange things.

-OK, please get in, sit down and explain better, please.

-On bell ringing, my guests, suddenly disappear and sometimes they commit murders. I don't know what to do.

-Did you tried calling the police?

-Of course, i called the robots police, but they said there was nothing wrong happening there.

- Sorry lady, i can't help you, i'm a failure as a detective.

- No way, i remember you when i was a child, you solved a lot of difficult cases, you were so good. I read all your stories. What's happened to you?

-Well, lady when those damned robots started to be investigators, all the human investigators had changed careers, that's why i'm so depressive and poor.

-Please, i'm very hopeless, i will pay for you 5 hundred cyber tokens per day!

-Really? when i start? bring me more information about the hotel

- let me see, the hotel have 3 floors with 10 employers and 25 guests but 6 of the employees disappeared ,and also 11 guests disappeared too...

- Anything else?

-the hotel is on Trumpdied avenue, 576. Star Value is the name of the hotel, go there tomorrow to begin. -
Got it, i will go there!

Next day John went to Abigail's hotel. When he arrived, he started talking to employers and to the guests, to know whats happening there, John sees a suspicious caretaker with a dirty bag,curious he goes to him for make some questions. John say:

-Hi, I'm detective John Hunter and I need to know what is in the bag?

-WHAT? are you presuming I'm the suspect?

-no, I'm just asking whats in the bag, is it difficult to show me? what are you so afraid of?

-I WILL NOT SHOW YOU ANYTHING!

While John was talking with a caretaker,one guest noticed the turmoil between the two, he walked toward them to know what is happening.

-HEY! WHAT THE HEEL IS GOING ON HERE?

John noticed that the man was out of control, he calmed down, and said to the caretaker:

-all right, we'll talk about it, but, whats your name sir?

-I'm Miguel Soares, I'm from Mexico, that's why you were being prejudiced with me! -no, I was just doing my job.

- I know, I always the same excuses.

after saying that, Miguel walked away, he entered in his room. and then the guest said for John:

-I have never seen you before, WHO ARE YOU?

-I'm detective John Hunter, and I was hired to investigate this hotel, say for me WHAT IS YOUR NAME?

-I'M THOMAS HENRY, i'm from room number 4.

-OK, have you noticed some strange things happening around here?

-well, every night, I listen from the over room some weird noises.

- okay, I will check out, whats the number of the room?

- follow me, i will show you the way.

John and Thomas, went up the stairs, and when they arrived there, they knocked the door, but the door was open. they noticed into the room there were two corpses laid on the floor.

Thomas saw and started to be desperate and he run to call Abigail, John start searching for clues, he found a knife under the bed with fingerprints of another guest called Luan Santos.

Mrs. Abigail and Thomas came to the room. John said:

- Mrs. Abigail can you tell the names of this couple?

- Oh my! Mrs. and Mr. Smith died! I can't believe it!

- Oh, so that's the names! I founded a laser gun with fingerprints of a man called Luan. Do you know this person?

- Yes, he is my hotel chef.

Thomas says:

- I saw him in the morning, going to the basement, he was very suspicious.

- Abigail, can you teleport me to the basement? - say John.

- Yes. but first, Thomas call the Miguel to clean this room.

- Okay!

Miguel appeared very angry, and John whispered to Thomas: - keep your eyes on him.

- Gotcha!

- let's go to the basement Abigail.

In the laundry room John and Abigail saw Luan smoking ,hidden. John said:

-hey! are you the guy called Luan?

-who wants to know?

- I'm detective John and Boom!

The deafening sound of an explosions echoed in the room, everything trembled, the lights bulbs fell, and wardrobe fell on top of Abigail, she died with her head crushed . John and Luan scared of seeing the brains of Abigail splattered on the floor. Luan and John rushed to go up to call for help , but they saw the hotel totally destroyed and then the robot firefighters arrived and started to put out the fire. John sees Miguel without his two arms and screaming for help , Luan went to help his work colleague, but another explosion happened, and Luan and Miguel died, John very scared started to scream for help ,but everybody died and the robots turned off, and then John woke up.

everything was just a dream. he looked around and saw the world infested with robots, machines doing everything, just rich people have a good live in this world, John remembers that he is a hobo and then he committed suicide.
