Interpretation of text.

A dedicated teenager.

Jane is a very intelligent teenager. She is fifteen years old and has two brothers. She goes to school in the morning and helps her parents in the afternoon. In the evening, she studies English at a school. She loves ice cream and barbecue. Her brothers don't like to study but they help their parents too. They want to open a small restaurant because they like to work with food. Jane likes science and she wants to be a doctor. Her father tells her that it is necessary to study a lot to be a doctor. Jane tells her father; "Yes, you correct. This is my dream and I know it is possible because I am dedicated". Jane's family has problems but they believe there are solutions and they never give up. Jane doesn't have everything she wants but she works hard.
