

We are friends from childhood, we never fight for nothing, but one day we know a girl who stole our hearts, we fight to decide who would date her and we noticed it was not worth it, We did a deal , if she falls in love with one of us, the others will accept and we never would talk to anyone. it happens what she fell in love by Lyam.

just me and Aiden thought that if we were so dever as he, she fall in love for some us? we are more hipsters and all more , but if she selected him,do What

now we know that is not worth fighting for women, because she mode us food and we three deluded. It's really ba sad and.
