

The Adventures of the Lost Island

Andre Oliveira

CHAPTER 1

The Adventure begins...

Along time ago, there were three kids: Crip, Alex and Mike. They lived in a house on the top of a mountain. They were playing football when Top, the dog fell into the forest. They ran to get top and entered into the forest. When they founded Top, they were lost in the forest. Crip the oldest brother founded a little house. So they entered into the house and saw

an old man talking: 'The stories say that there is a secret island that no map shows. It is very dangerous but it has a treasure that can make one wish come true.' Alex the middle brother asked the man where the island stays. The old man said that it stays in the south America where the boys lived. The kids decided to go to the island so they wish to go back to home. So the boys built a canoe with bamboo and went to the island.

Chapter 2

The lost island

3 weeks later the ocean started to shake and from the waters appeared a Kraken. A giant squid that measures 2 blue whales. So he started to attack the canoe. 'On your back Alex!' Said Crip. The kraken divided the canoe in two. In one part was Alex and mike the

younger brother and in the other was Crip and top. Alex and mike woke up in the island. The island was very big and it got a mountain. It got a forest filled with bamboo and lots off caves. But where was Crip and top? 'Let's split ourselves said Alex -I will try to find Alex and Top and you try to find food. Mike found egg, fish, meat and vegetables ut Alex didn't found any life . They lived in a cave its was very dark so they used flint to make fire. So they ate the food and went to sleep.

chapter 3 Wild instinct

Next day, Mike woke up by hearing a sound of barking. It was Top playing with Alex! Mike asked Alex

How he found Top. And Alex answered 'Well, I woke up a little earlier. And I was starving. So I ate a bit of fish and salad from yesterday. When suddenly I heard a barking sound and then I found Top.' So Mike answered 'Let's follow him. He can lead our way to Crip.' And Alex said yes. So they followed Top until a cave.

There were orchs blocking the way into the cave. Ugly mythical creatures that looked like ogres. Alex threw a coconut in one of the orchs head. He got really angry and the both orchs started to hunt the boys and Top. Alex and Mike ran in circles and made the orchs bump at each other. In the cave, they found Crip 'Crip! Are you okay?' Said Alex. 'Yes I am.' Answered Crip really weak. 'what happend with you and Top?' Asked Mike. Crip explained that the orchs got him and put it on a cave.

Chapter 4 Invasors

The boys got Crip put him in the cave. Next morning everybody woke up because of a magical thing. It was a boat! ' Hurray! We are safe now!' Shouted Alex. 'Which type of boat can it be? It can be British or maybe American.' Said Mike. ' I don't think it's British and neither American. They are ... PIRATES!!!' The boys were really scared so , they didn't think twice and ran into the cave. 'Land ahoy captain!' shouted Francis

Francis was one of the pirates. He was really thin. The second pirate was Otto the strongest pirate of all. And the last pirate was captain t Toronsso known as the greedy and mean pirate. Together, they were the east pirates gang. 'Well well well what we 've got here? A desert island? This means I need to conquer it.' Said Captain Toronsso. ' First, I will destroy everything. Including this cave full of gold. Shoot now!' Said Captain Toronsso pointing to the boys cave. Otto and Francis shooted.

Luckly the boys survived, but the cave no. 'Huh? These boys are trying to stop me from destroying the island. Catch them!' Shouted Captain Toronsso. The kids ran the fastest they could, but the pirates were right in their backs. Crip troughed some logs he found by the way and Otto and Francis fell from the mountain. 'hooray we defeated the pirates' Shouted Mike 'You maybe have win them, but you will need more then two logs to defeat me' said Captain Toronsso. 'Oh no.' 'It really is him?!'

Chapter 5 A big what?

.

'That is a dragon?' asked Alex. 'Now prepare to be roasted!' Said Captain Toronsso. The boys started to run again. They hid into a bush.

'I will find you' Said Captain Toronsso. 'I just wished I was home with my brothers!' Shouted Mike.

The boys heard a voice saying "Your wish is an order" when, suddenly, they were home again. The boys were really happy. When people ask them what they want

to be in the future, they answer
'I want to be an island explorer'

I dedicate this book to my family.

Lots of love,
Andre
