## GOLDEN RETRIVER

He is cheerful, agile, strong, light movements, expression is gentle and docile. really is a beautiful hound, intelligent and obedient, loves to learn and is always ready to work. Body well balanced, with straight or wavy hair with bangs. The undercoat is thick, like the Labrador, water resistant.

Breed: Golden Retriever

Country of origin: Great Britain

Original name: Golden Retriever

Use: Hound

Habit: Medium to Large

Need for daily exercise: Medium / High

Temperament: Very Gentle, active

Adestrabilidade: Very High

## AKITA

Akita is a dog of the hard and oily, great for hunting in the water because their fur is almost waterproof and resistant to cold. The akita expression is alert and agile movements and very accurate. He has a very good flair.

Breed: Akita

Country of Origin: Japan

Original Name: Akita

Use: Dog Company

Habit: Large

Need for daily exercise: Medium / High

Temperament: Calm, Gentle, loyal, Receptive

Adestrabilidade: Medium

# SOME NOTES

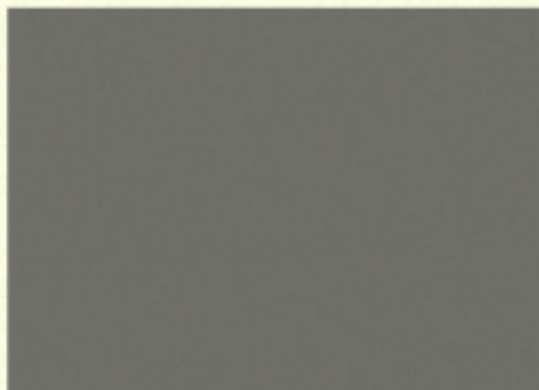

Well, we chose the breeds we almost like, but we don't say these are the best. We think the best dog you can choose is the dog who combines with your personality. Doesn't matter he/she is big, small, have pedigree, under dog, matters is that you may love him and he loves you.

With love,
