digite aqui

This race is embedded in FCI's own group due to its wide range of size and coat: standard, miniature and kaninchen, the long, flat and hard. It is described as hunter rings, fairly accurate sense of smell, which allows you to easily follow leads, which makes it effective in raids to small prey. It is said still a good sleuth, able to pursue larger animals since, despite short legs, is light. Historically is an ancient breed, which, according to some historians, date of five thousand years, in view of the similar images physique were found in the tomb of a pharaoh. Anyway, it is known that dogs were developed by modern German hunters, seeking a dog agile, sturdy and small enough to go into dens of badgers, hares and rabbits.
