**There are currently three types of Schnauzer, Giant (between 60 and 70 cm), the standard or medium (between 45 and 50 cm) and miniature (30 to 35 cm). Its name derives from the German word Schnauze, which means "muzzle". His nose is actually a peculiar feature, especially for having this long mustache elegant, charming, and very well known. The three types of Schnauzer dogs are wonderful, active, balanced, full of energy and are always on alert, and make great pets. The Miniature Schnauzer is the most popular among them.**

**Country of origin: Germany**

Perhaps the most extrovert of Asian dogs, the Shih Tzu can become a great companion. This small and elegant animal has as its main characteristic long coat and smooth, with a lot of hair on his head. Perhaps this is the factor responsible for its name, Shih Tzu in Chinese means "lion dog".

Joyful, playful and very active, this fun companion dog can also become an excellent guard dog. The Shih Tzu adapts easily to life in the big cities, but need daily walks. Regular brushing is essential to avoid later having to untangle the knots, which can be painful both for the animal and for its owner.

**Height: Male: 25cm to 27cm**

**Name origin: Shih Tzu**

**Country of Origin: Tibet**

**The Chow Chow is a sturdily built dog, square in profile, with a broad skull and small, triangular, erect ears with rounded tips. The breed is known for a very dense double coat that is either smooth or rough. The fur is particularly thick in the neck area, giving it a distinctive ruff or mane appearance. The coat may be red, black, blue, cinnamon/fawn, or cream.**

**The Chow Chow can suffer from entropion, glaucoma juvenile cataracts, lymphoma, hip dysplasia, diabetes mellitus, canine pemphigus and gastric cancer. Chow Chows are a high risk breed for autoimmune disease and are at a predisposition for skin melanoma.**
