Bulldog is the name for a breed of dog commonly referred to as the English Bulldog. Its origin is not quite right, though I know that until the mid-eighteenth century their copies, taller and agile, they were used in combat against Bulls. When these clashes were banned, the Bulldog seen today as a companion dog, was saved by faithful creators.

Is a breed of dog originating in China. According to that account, the shih-tzu would be the symbol of love between a Chinese princess and a Mughal. With no hope of getting married, they decided to cross the canine representatives of their nations - the Pekingese Chinese and Tibetan lhasa apso - to represent what was better between the two cultures and the love between those two people.

Dachshund is a breed of dog originating from Germany. It is described as hunter rings, fairly accurate sense of smell, which allows you to easily follow leads, which makes it effective in raids to small prey. It is said still a good sleuth, able to pursue larger animals since, despite short legs, is light.

Golden Retriever is a canine breed developed in England to become a hunting dog and wild waterfowl. His appearance came in the mid-nineteenth century, through selective breeding and produced by Mr. Lord Tweedmouth, who sought a medium-sized dog who was skilled hunter, obedient, intelligent, calm and easy to train, which led to the use several breeds, including the extinct tweed water spaniel.
