

A group of Dalmatian puppies are nestled in a light-colored wicker basket. The puppies have white fur with black spots and floppy ears. One puppy is looking directly at the camera, while others are looking slightly away. The background is a soft-focus green, suggesting an outdoor setting. The lighting is warm and natural, highlighting the texture of the puppies' fur and the woven texture of the basket.

Staffordshire Bull Terrier

Staffordshire bull terrier is a breed of dog originating from crosses between bulldogs and terriers made some in the eighteenth century, in the County of Staffordshire, England. As reason for their origin are the dog fighting that is popularizing in the country at that time. The goal then was to get an animal strong and resilient.

Very loving breed and adapts very well to children.

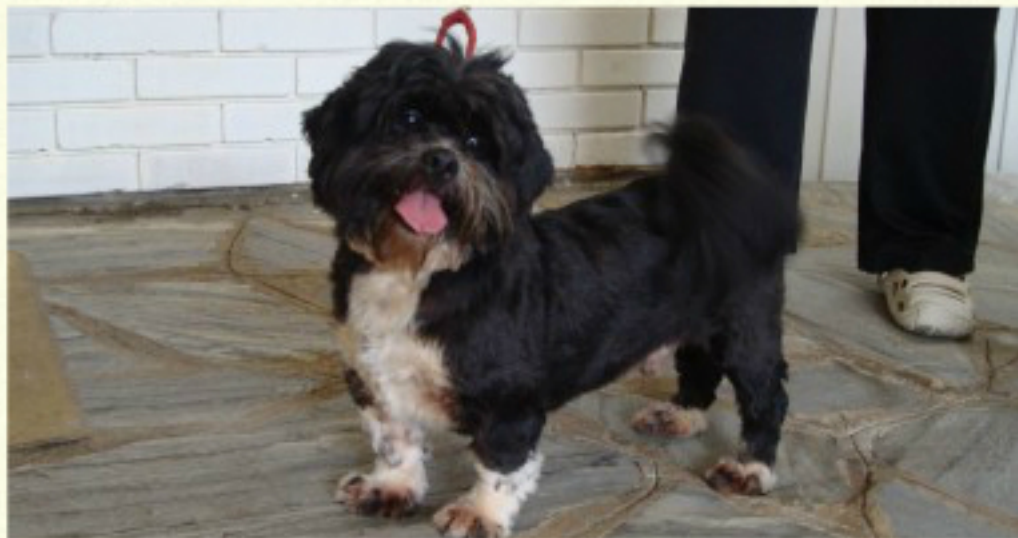

Well balanced and very strong for its size. Muscular, active and agile. Do not cut the tail or ears and do not need to be shorn. Coat Smooth, short and soft in the colors red, brown, graphite, white, black or any of these colors with white. Weight - males from 12 to 17.2 kg, female 11.8 to 15.4 kg. Desirable * Height - 35.5 to 40.5 cm, this point should be related to weight.

Lhasa Apso

The temperament of the Lhasa Apso is original, particularly its nature independent and with a certain amount of stubbornness require its owner to acquire the patience and rigor to discipline this dog unparalleled. Normally is quiet and thoughtful, and usually with strangers remains distant and reserved.

The Lhasa Apso is also called "Little Lion Dog", it is said that when he looks in the mirror you see yourself as a lion. They see themselves as big and important. It is a large dog personality in a "small package".

His temperament is unique: one is cheerful, mischievous and fun and on the other hand is important, noble and distant. Because of their expressive facial features, owners often observe some qualities similar to human and realize a sensitivity to human feelings, and therefore claim that their dogs can "hardly speak."

Pastor Alemão

One of the smartest dogs in the world and used to give more aid police dogs are German Shepherd. The dog is very intelligent and easily trained, besides it is very agile and fast. Check out all about this race. The German Shepherd is a breed of dog of the smartest and one of the nicest.

What really draws attention to those who would like to create a German Shepherd is a dedication to protecting his owner and everything that surrounds it. The German Shepherd is now considered the third most intelligent breed in the world, behind the Border Collie and Poodle. The German shepherd is a born goalkeeper, always very attentive and connected to all that is happening, so it's one of the main races chosen by police around the world to fight crime and to assist in rescues of heaping
