CHIUUAUA

Chihuahua, in Spanish: Chihuahueño, word of obscure etymology, probably from Nahuatl language, is, according to the FCI, the breed standard 218, inserted in group 9, belonging to section 6. It is still one of the smallest dog breeds in the world, tied with the measures in small Russian dog. Its name comes from the region of Chihuahua in Mexico and is described as extremely gentle, affectionate and possessive. Just as every dog luxury, as they are called pets, the Chihuahua is not really a hunting dog, although it is well regarded as a canine guard efficient home. Because of its size and ease of adaptation, is well taken as a pet for inexperienced owners and practitioners.

GERMAN SHEPHERD

The German shepherd or wolf-of-hops is a canine breed from Germany. It is considered one of the most numerous and studied around the world. Probable descendants of sheepdogs this northwestern European country had its first recorded specimen in the twentieth century, the cavalry retired German Max von Stephanitz. Advertised as messengers, scouts and porters, served the German army in World War I, drawing the attention of opposing armies, which led some copies with you to the end of the war. Popularized in the United States and United Kingdom, have become celebrities in tv and film, appearing in such productions as Rin-Tin-Tin. In the 1970s, already seen as one of the most widespread of the canine world, began to pass through intersections frivolous, which generated problem animals and more likely the common diseases of the breed, such as hip dysplasia and degenerative myelopathy
