

Nina & Cia.

Por: Juliana e Helena

LHASA APSO

Nina is my pet, she is a Lhasa Apso. Her pelage are caramel and white and her eyes brown. Nina is small dog and very suspicious. This tribe is companion and alert.

Lhasa Apso is from to Tibet. Lhasa's primary function was that of a household sentinel. They are kind, smart and lovely.

BORDER COLLIE

The Border Collie is a tribe from Britain. Created to be grazing, Weight between 15 and 25 pounds. Are usually white and black.

Is known as the smartest of dogs. A dog is extremely active and obedient. He doesn't like small spaces. Is always ready for a good joke.
