# Basset Hound

The sweetest breed in the world

This breed is called Basset Hound. It is an affectionate, gentle, playful and lazy dog, it has a developed sense of smell and big ears capable of hearing things meters away.

These dogs arose from the crossing of two breeds: Beagle and Bloodhound. They weigh between 20 and 30 kg and the average height is between 34 and 38 cm.

Most dogs of this breed have two colors (brown and white or brown and black) or three colors (brown, white and black). Are great friends of children and youth.

## Behavior of the dog...

It is an excellent hunter, Basset Hound is a breed of companion and attention, very calm demeanor and friendly. Are sensitive animals. These dogs are excellent for children.

Why they like attention, it is not recommended to leave this dog alone. Is the sweetest breed in the world!

## Miniature Shnauzer

The most  
intelligent dogs in  
the big world...

This dog is obedient and protector. The Miniature Schnauzer is a German breed. This dog was obtained by crossing small terriers with standar Schnauzer. Dogs of this breed have between 30 and 36 centimeters tall and they weigh between 4 and 7 kilograms. It is an friendly, beautiful and smart dog.

The colors of coats most accepted are: black, white, black and silver (rarer) and salt and pepper (most common of all).

## Behavior of the dog...

This dog is happy when you give attention to it, but not necessary a lot, a pat on the head is enough. These dogs are obedient, friendly and affectionate, they are very loyal to the master. This breed don't barks too much, is intelligent and easy to teach. They are de most intelligent dogs in the world!
