bichon frize

Is a breed of dog whose origins remain uncertain, despite speculate that the barret and Maltese crosses that are involved in generating their copies. Quite like the poodle was crossed with this for years. In Europe were given gift, and in France, at the court of Henry III, were so well cared for and adorned. The small size and curly coat, the Bichon include among its options. But it's not just a matter circumstantial linked to quality of parenting that he is worth.

There is much more in your favor, as the pleasant temperament and management is not overly complicated.

Golden Retriever

Is a breed of dog developed in England to become a hunting dog and wild waterfowl. His appearance came in the mid-nineteenth century, through selective breeding and produced by Mr. Lord Tweedmouth, who sought a medium-sized dog who was skilled hunter, obedient, intelligent, calm and easy to train, which led to the use of various breeds.

ACTIVITIES WITH DOGS

If you often want to do physical activities, but can not find reasons for this, I advise you to leave with your puppy. That's right, you may need or want to go hiking, but there's nobody to go with you and so you often end up staying home instead of going for your run, walk. You can throw a ball for him to catch and can also scratch his belly for him to be happy.

Famous dogs

Scooby-Doo is an American cartoon series, followed by various related series, produced from 1969 to the present day. The original series, Scooby-Doo, Where Are You!, was created for Hanna-Barbera Productions by writers Joe Ruby and Ken Spears in 1969. This Saturday morning cartoon series featured four teenagers—Fred Jones, Daphne Blake, Velma Dinkley, and Norville "Shaggy" Rogers— and their talking Great Dane dog named "Scooby-Doo" who solve mysteries involving supposedly supernatural creatures through a series of antics and missteps. cabou,cabou
