Golden Retriever

Golden Retriever is a British race of dogs. The Golden Retriever's temperament is calm and it's good to practice physical exercises. It's height is about 56 to 61 cm.

rottweiler

he has German origin is an efficient guard animal grazing and beyond helpful in tração.é admittedly one of the oldest breeds, already seen in the first century of the Roman legions in campaigns across the Alps, both pastoring as guarding prisoners

bulldog

is originating from England. Their origin is not quite right, though I know that until the mid-eighteenth century their copies, taller and agile, they were used in combat against bulls. Bulldog is seen today as a companion dog

german shepherd

is a canine breed from Germany. It is considered one of the most numerous and studied around the world. Probable descendants of sheepdogs this northwestern European country had its first recorded specimen in the twentieth century, the cavalry retired German Max von Stephanitz. Advertised as messengers, scouts and porters, served the German army in World War I, drawing the attention of opposing armies, which led some copies with you to the end of the war

poodle

is a breed of dog originating from France. It is considered the second most intelligent breed in the world, according to a list compiled by Stanley Coren. Historicamente, these dogs were bred to work in the water, having one of its trims designed to reduce friction and protect against the cold in their areas more delicate, as the legs and chest. For days the Germans demanded the creation of the poodle. However, according to the official documentation of the International Federation, France is seen as the nation of origin.
