

A man`s best friend

Por: Karoline Alarcao & Julia

Golden Retriever

The Golden Retriever is a strong, gentle and playful dog, that conquered crowds and today is the second race in number of dogs registered in Japan and third in England.

Origin: England

Original Function: search dog

Average size of male: Alt: 58-60 cm Weight: 29-34 kg

Average size of female: Alt: 54-57 cm Weight: 25-30 kg

Other names: Yellow Retriever

Intelligence Rank Position: 4th position

Boxer

The Boxer is playful and great for kids. His short coat helps by not spread that strong "dog smell". He is a dog that does not bark for nothing but likes to be close to his owner, even though that he is not the type of dog that requires attention all the time.

Origin: Germany

Original Function: watchdog

Average size of male: Alt: 57-63 cm Weight: 29-36 kg

Average size of female: Alt: 53-59 cm Weight: 22-29 kg

Intelligence Rank Position: 48th position

Yorkshire

The Yorkshire is a cute little dog with a strong personality who loves a lap and care, great for kids. He has high energy but does not need much exercise, is shy around other pets and friendly with strangers. He is also an easy dog to train.

Origin: England

Original Function: protector dog

Average Size of Male: there is no defined size, Weight: 5.5 to 6.3

Average Size of Female: there is no defined size, Weight: 5.5 to 6.3

Intelligence Rank Position: 27th position

Shih Tzu

The Shih Tzu is a happy and friendly dog. They are a great company to play with, always active and close to his family!

Origin: Tibe

Original Function: companion dog

Average Size of Male: Alt-up to 28cm, weight-between 4kg and 7kg

Average Size of Female: Alt-up to 28cm, weight-between 4kg and 7kg

Intelligence Rank Position: 70th position
