Chiuaua

Behavior and Temperament

The dog breed Chiuaua loves to play and have fun, do not let anything go unnoticed, always has something entertaining that they can make sure it's guaranteed fun. But do not be fooled by the sympathy and size, as it can be very brave and courageous when needed.

The Chihuahua race is one of the most charming of the world, not for its beauty, but for its companionship and for always being ready for anything. The race Chihuahua characterized mainly by its size, she holds the title of world's smallest breed. There are two varieties of Chihuahuas, one with long hair and one with short hairs.
