### **Dalmatian:**

Origin: Yugoslavia. No one knows for sure the origin of the breed. Officially he comes from Yugoslavia, but many breeders attribute its origin to Spain, Egypt, Denmark and even India.

#### **FEATURES:**

- Famous worldwide, mainly because it has been protagonist of films such as "The War of the Dalmatians" and "101 Dalmatians."
- Dog very cheerful, attentive, funny and sensitive, especially with children.
- Not a keeper, but defends and guards the home if necessary.
- With black spots all over the body, is also very fast and muscular.
- Very found in England and Italy.
- In the Middle Ages, the Dalmatian was used for hunting, but over the years, has become a companion dog.
- Because of its affinity with horses, accompanied their owners when they went for a ride in the carriage. Hence arose the nickname "Coach Dog". By having a lot of energy, prefers to live in spacious places where he can run and play.
- Big size.

**Poodle:**

Origin: France

**FEATURES:**

- Dog cosmopolitan and intelligent.
- Search always the company of people. He loves receiving, petting and playing without breaks.

- Shaken and playful
- Learns and obeys very easily, a fact that led many circus organizers opt for this breed for their presentations.
- Jealous.
- It can be found in three sizes:
  - The most traditional is the standard height of big and strong. Not recommended for apartments and elderly, such Poodle is very active and requires two hours of daily exercise;
  - The second is the Miniature Poodle, more suitable for smaller environments, require less maintenance and expenses of the coat;
  - The last, the toy poodle, is the smallest of all and longer life. Live well with the elderly and children. However, it requires more attention because their bones are very fragile and break easily.
- The Poodle has a strong smell and not loose hair around the house. If this occurs, you need to check with a veterinarian if there are problems on the skin.
- The dog must bathe every 15 days and use a leash made of leather, which does not damage the hair neck.
